

THE HEALTH EQUITY PLEDGE

PRESENTED BY BLACK WOMENS HEALTH COALITION

ON THIS DAY, _____, _____, 2020, I MAKE A PLEDGE TO MYSELF,
MY COLLEAGUES AND MY PATIENTS TO DO THE FOLLOWING:

I will work towards understanding and listening to my patients' concerns.

I will include my colleagues in discussions surrounding diversity.

I will not be ashamed to say, "Let me check on that for you," or "I don't know," nor will I fail to call in my colleagues when I lack the knowledge around a specific symptom or inquire.

I will work towards acknowledging negative stereotypes and stigmas that may be carried with me that can contradict my work.

I will agree to be mindful of any bias surrounding sexuality, LBGTQIA, race, ethnicities, religious beliefs, and age.

I will commit to multi-diversity training to better my work and understanding of my work.

By signing this PLEDGE I am committing to take a stand with the Black Women's Health Coalition. I commit to "be the change" by showing my support and saving lives in the African American community.
